Caroline Mills is one of select few distinguished female facial cosmetic surgeons in the UK who specialises in surgery of the neck, face and jaw. She is also highly skilled at combining non-surgical cosmetic treatments such as dermal fillers and skin peels in order to further enhance her surgical results. She is recognised for her operating excellence in both the NHS and private cosmetic surgery.

Caroline, who has degrees in both medicine and dentistry, is at the top of her field in maxillofacial surgery. Voted 'Best for Facelifts' in the prestigious Tatler Magazine Cosmetic Surgery and Beauty Guide 2014, she is currently a Consultant at Great Ormond Street Hospital where she treats children with complex facial deformity.

- ✓ Fully UK trained and accredited
- ✓ VOTED "Best for Face Lifts" 2014
- ✓ GMC specialist registered (4470940)

She is on the specialist register for Oral and Maxillofacial Surgery and is a member of the European Association of Facial Plastic Surgeons (EAFPS). After completing advanced surgical training she undertook Fellowships in Craniofacial surgery at Great Ormond Street Hospital for Children and in Cosmetic Surgery at the Institute of Cosmetic and Reconstructive Surgery at The West London Clinic where she met Cosmetic Surgery Partners founding surgeons Dai Davies, Nick Percival and Miles Berry.

Caroline originally trained in Dentistry at The University of Birmingham and then undertook her Medical degree at The University of Southampton before obtaining her FRCS. Her higher specialist training in Oral and Maxillofacial Surgery was undertaken in London at St Georges Hospital, University College Hospital, Great Ormond Street Hospital and North West London Hospitals.

Caroline regularly performs a wide range of facial cosmetic procedures including facelifts, eyelid and brow surgery, chin and orthognathic jaw surgery, surgery to feminise facial features, fat transfer and nose-reshaping. She treats a lot of patients who request revision surgery.

Not just a cosmetic surgeon but also a teacher and mentor; Caroline trains facial and cosmetic surgeons in her specialist fields including all manner of facial surgery and non-surgical facial rejuvenation techniques such as dermal fillers and wrinkle reduction injections.

A highly sought for her expert opinion by the media & press, Caroline has appeared in newspaper & online articles and on hit TV show 10 Years Younger.
