

## Add you files - [cosmeticsurgerypartners.wetransfer.com](https://cosmeticsurgerypartners.wetransfer.com)

Agree to We Transfer terms of service, trust us, they are safe...

1. Click "Add you files" and select the files (or files) you would like to send
2. "info@cosmeticsurgery-partners.co.uk" should be automatically filled in the "send to" (if not please fill it in)
3. Write your e-mail
4. Write a message (optional)

The screenshot shows a form titled "Add your files" with a blue plus icon. Below the title are three input fields: "Email to", "Your email", and "Message".

## Add extra security

(Available for users with a We Transfer Pro account)

If you already have a We Transfer Pro account we recommend following the steps below before clicking the send button in order to enhance security.

If you do not have We Transfer Pro account don't worry, skip to the final step!  
Please make sure the below settings are activated...

1. Send as "email"
2. Delete after "never"
3. Password - make a note of your password and write it down. Send it in a separate e-mail or call in to tell us your password

**Note:** A strong password is 6-10 characters long and contains a mixture of uppercase, lowercase characters and numbers.

**Click**

Send as

email  link

Delete after

Never ▼

Password

123abc|

## Final step - Transfer!

You are done, you can now hit the transfer button to deliver your files securely to our team!

**Transfer**
